

Tell us about your boatbuilding project!

Every month we showcase projects from across the epoxycraft community. So, why not tell us the story of your boatbuilding project?

Your name:	
Your boat's name:	
Your location:	

Firstly, tell us a little about yourself.

How did the project come about?

Which WEST SYSTEM or PRO-SET epoxy products did you use? How did they help?

What was the most rewarding part of the project?

What's your top tip for boatbuilders looking to start a similar project?

And don't forget to send us a photo of you and a photo of your boat!

Please return this form to Hamish Cook via email at info@marineadagency.com or post to Marine Ad Agency, 15 Haslar Marina, Haslar Road, Gosport, Hampshire PO12 1NU.
